MiCM — McGill initiative in Computational Medicine

# SUMMER WORKSHOP SERIES

Beginner workshops on key computational skills in Bioinformatics. Open to all McGill students.

June 30
1:30PM - 5:30PM
NGS Data Formats and Pre-processing

July 8
TBD
Introduction to Machine Learning

July 12
1:30PM - 5:30PM
Introduction to Dimensionality Reduction

July 21-22
8:30AM - 12:30PM
Introduction to R Programming

July 26
TBD
Data Visualization in R

July 27
1:30PM - 5:30PM
Polygenic Risk Scores

July 28-29
8:30AM - 12:30PM
Introduction to R Programming

Registration links will be released 7-10 days prior to each workshop.
